2017 to 2018

Cancellation Policy

Dear student and parent

At Sorell Driving School we understand that from time to time you may need to reschedule a lesson time due to family circumstances and/or work commitments.

When you book a lesson or an assessment with Sorell Driving School you are securing a professional Driver Trainer and Assessor's time and a custom Training Vehicle for your lesson and assessment.

We ensure that these resources and time are allocated to you only for the lesson and assessment booking as a result there are associated costs with reserving you these resources.

Cancellation Policy for Lessons

For a lesson of any type we need 24 hours for cancellation, so we can fill with another student.

If you continue to cancel, you will have to pay in advance for your lesson \$55 and if you cancel again, you will lose the lesson fee.

Cancellation Policy for Assessments

For a L2 or P1 test booking we need 2 full days (48 hours) notice as we are dealing with Transport Tasmania and cannot replace the test, If you don't show up or arrive late or don't have your licence you will forfeit your Booking Fee. For sickness we require a medical certificate.
